Ancillary Contracting and Credentialing Information Form

Point32Health

Harvard Pilgrim Health Care TUFTS Health Plan

This application is specific to non-behavioral health providers.
For behavioral health please reference this form.

Point32Health, the parent organization of Harvard Pilgrim Health Care and Tufts Health Plan, requires information about your facility/ organization in order to fully evaluate your application to become a participating provider and join our network.

Accreditation and certification information

Please include accreditation certificate information and license (**when applicable**).

Email this completed application and required documents to provider_information_dept@point32health.org.

Providers expressing an interest in joining our network will be credentialed and enrolled in all of our plans upon securing a contract. For further information on our plans, visit the Our Plans page on the provider website at www.point32health.org/provider/network-plans/our-plans.

Federal regulations require that providers who render services to Medicaid members are screened by and enrolled with the appropriate state Medicaid agency. This requirement applies to providers who participate in Medicaid lines of business.

- **RI providers:** Complete this screening and enrollment process via the Rhode Island Executive Office of Health and Human Services (EOHHS) provider portal.
- **MA providers:** Complete this screening and enrollment process via the MassHealth website. For more information, refer to this FAQ.

By submitting this form, I hereby attest I have completed the screening and enrollment process.

Please note that, consistent with state requirements, Rhode Island providers requesting to join our Commercial network must also become participating providers in our Rhode Island Medicaid network for the Tufts Health RITogether product.
